## HOW CAN IT HELP ME?

Nobody wants to think about losing their partner. But it's worth thinking about how your family would cope if the worst happens.

Losing a family member is emotionally devastating, but the loss of income can be just as devastating for your family's finances. Mortgage repayments, funeral costs, childcare – the extra costs can be overwhelming.

Partner Life Insurance provides a cash pay-out if your partner dies. It's a financial safety net that protects you and your family if the worst happens.
