

GROUP CRITICAL ILLNESS

Support Services

Introduction

We believe insurance is about much more than just a financial benefit. When employers choose our Group Critical Illness policy, they also get access to three Support Services. Helping employees with emotional, practical and medical support.

There is no cost involved for all service users as the Support Service costs are absorbed within the Group Critical Illness premium* (See note in final column).

Access to all the Support Services provided will be available from the date Group Critical Illness cover commences with us.

Notes

These are Support Services provided by Canada Life's services company CLFIS (UK) Limited (CLFIS), through its service providers Best Doctors® Inc, Medical Care Direct and Protection and RedArc Assured Ltd.

These services are non-contractual benefits which are available if you have a Group Critical Illness policy with us. The provision of these services does not form part of your insurance contract with us and we provide access to these services as a value-added extra.

These are complimentary services and can be altered or withdrawn at any time.
