

Choose Canada Life

For excellence

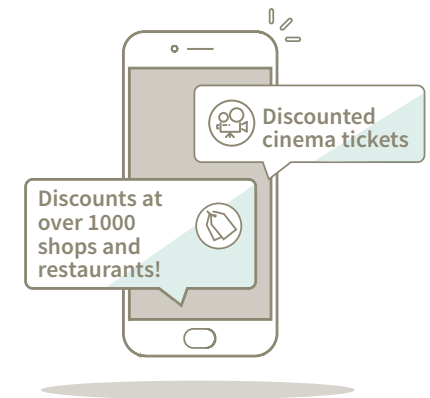

We believe there is more to protection than cash payments. That's why we provide a range of Support Services. They're all free to use, some from day one.

		Life Insurance	Life Insurance plus Critical Illness
	Bereavement Counselling Unlimited access to a 24/7 bereavement helpline. Up to four face-to-face or structured telephone sessions with a qualified counsellor.	✓	✓
	Probate Helpline Access to probate experts. Covering family disputes, validity of wills, power of attorney and obtaining probate.	✓	✓
	PersonalCare Professional counselling for any issue, either face-to-face or by telephone. Access to support on everyday matters such as legal issues and debt management.		✓
	Personal Nurse Service Long-term practical and emotional support over the phone with the same qualified nurse. For individuals who make a critical illness or terminal illness claim.	✓ ¹	✓
	Second Medical Opinion Provided in conjunction with the Personal Nurse Adviser. It provides confirmation of diagnosis and treatment options from within the NHS or private sector in the UK.	✓ ¹	✓

¹ Our Personal Nurse Service and Second Medical Opinion are also available to Life Insurance customers if they are diagnosed with a terminal illness.

Canada Life App
